Captain Fire

JOB CODE	JOB FAMILY	PROFILE
JCV604	Public Safety	Captain Fire
PAY TYPE	PAY RANGE	REVISION DATE
Hourly	\$25.97 - \$41.04	April 28, 2026

The Captain Fire, under the direction of the Battalion Commander, Division Chief, or assigned supervisor, performs supervisory and technical duties pertaining to the administration and operation of the fire and rescue services. Assists in the direction and coordination of the operations of assigned personnel and equipment. Plans and schedules work assignments for subordinates.

Job Description

DUTIES AND RESPONSIBILITIES

- Must be able to fulfill the duties and responsibilities of the positions below the rank of Fire Captain based on the employee's progression and EMS licensure level.
- Directs, supervises, organizes, and plans the activities of subordinates within an assigned station and region, making work assignments in accordance with the recognized chain of command.
- Must comply with all Bernalillo County Policies, Bernalillo County Fire Department Policies & Procedures, Standard Operating Guidelines, Directives, Memos, and the Collective Bargaining Agreement.
- Responsible for communicating and clarifying management orders and decisions to subordinate personnel. Briefs subordinates regularly on policies, procedures, bulletins, and other relevant information.
- Guides, corrects, and/or disciplines subordinates as appropriate or as directed through the Chain of Command.
- Assists management in the administration of personnel issues to include performance evaluations.

- Responsible for the operation and maintenance of all apparatus, buildings, equipment, and grounds at the assigned station to include the cleanliness of the station.
- Responsible for overseeing the officers of other stations, in the region they are assigned to, and ensuring work and assignments are being completed as appropriate or designated.
- Responsible for maintaining proficiency in hydraulics/pump operation and aerial operations in order to assist the Apparatus Engineer with operations, trouble shooting, and training.
- Responds to emergency calls as dispatched; assumes command of firefighting and rescue operations until relieved by a superior officer and will be responsible for the safety of assigned firefighting personnel.
- Plans, coordinates, and supervises activities of fire suppression during emergency responses to control and extinguish fires and protect life and property.
- Responds to calls for medical services and administers emergency medical treatment at level of licensure according to approved standard of care and assists in patient transport when needed.
- Prepares and reviews reports and maintains departmental records to ensure efficient operation of his/her command; performs administrative duties as required or directed.
- Prepares and compiles necessary documentation to support duties and responsibilities.
- Instructs and trains personnel in fire and EMS methods, techniques and related matters.
- Participates in the planning and implementation of the department's regional training programs.
- Participates in fire prevention activities, to include inspection of buildings and development of pre-fire plans.
- Participates in public education and public relations activities, and participates in on-duty training, both as student and instructor, as needed.
- May be required to perform the activities of subordinates and/or act as battalion commander or division chief.
- Performs other job-related duties as required or assigned.
- ****The above information is intended to outline the general nature and scope of the duties required for this position. It is not an exhaustive list and may vary depending on specific job assignments and responsibilities.***
